

# INSTRUCTIONS FOR MOUNTING THE IC5-KIT, IC6-KIT & IC8-KIT

## (Mounting Brackets for the OWI 5", 6" & 8" Round In-ceiling Speakers)

\* Each kit includes one round mounting frame and two wings.

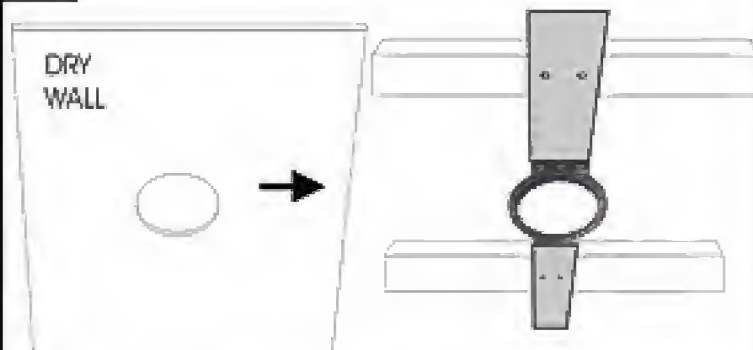

1

Assembled in-ceiling mounting kit.

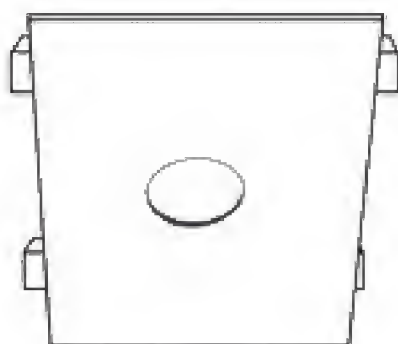

Slide the two wings on the two sides of the mounting frame.

2

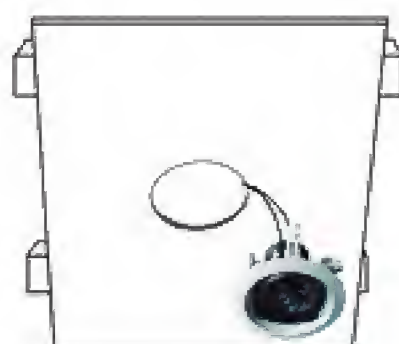

Attach the assembled in-ceiling kit on the wooden stud using screws or staples.

3

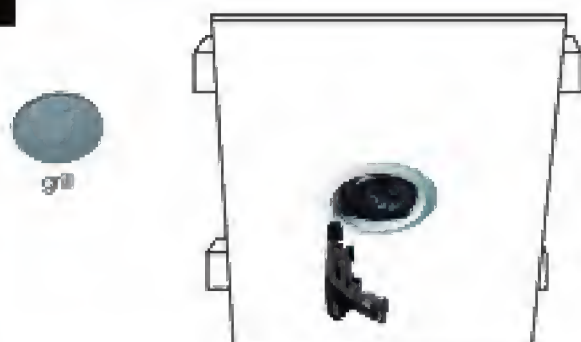

Install the dry wall on the wooden stud aligning the speaker holes with the mounting kit.

4

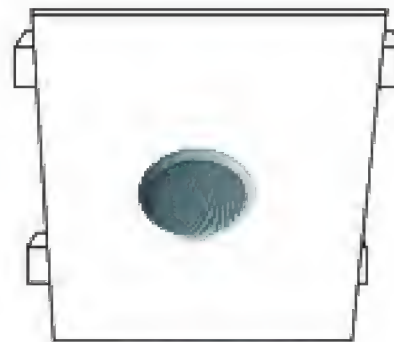

Connect the speaker wires to the speaker terminals.

5

Place the speaker into the mounting bracket and tighten speaker screws.

6

Install the grill.
